I am writing to express my strong interest in the internship/graduate/full time work opportunities within your esteemed organization. With a passion for technology and a solid academic foundation, I am excited to contribute my skills and dedication to your team.

Currently, finished with my bachelor's degree, double majoring in Computer Science and Information and Technology Management at the University of Auckland. My academic journey has equipped me with a comprehensive understanding of various technological concepts and their practical applications. Moreover, my exposure to different academic environments, including studying abroad in Malaysia, has nurtured my adaptability and resilience in the face of diverse challenges.

My part-time role as a Pharmacy Assistant at Chemist Warehouse exemplifies my commitment to personal and professional growth. This experience has honed my ability to excel in a customer-focused setting, collaborate within a team, and efficiently manage time and tasks. These skills are not only transferable but also underscore my dedication to achieving excellence in any role I undertake.

My proficiency extends across various technical tool and languages, including HTML, CSS, Javascript, Python, Java, C#, SQL, PHP, Python Libraries (Pandas, Numpy, Matplotlib and Flask), Tailwind, React, Microsoft 365, Visualisation (PowerBI and Tableau), .NET, Microsoft SQL Server, SQLite, MongoDB, AWS, Azure, Git, Figma, Linux, Visual Studio Code, Pycharm and Jupyter Notebook. These skills have been cultivated through both academic coursework and independent projects, exemplifying my capability to conceptualize, design, and implement solutions that address complex technological challenges.

My desire to contribute, coupled with my proficiency in a wide range of technologies, makes me confident in my ability to excel in a Data/Software/Technology role. I am eager to collaborate with a dynamic team of professionals, learn from experienced mentors, and actively contribute to your ongoing projects and initiatives.

Thank you for considering my application. I look forward to the opportunity to discuss how my background and skill set align with your organization's needs and goals. I am available at +642102565682 or jen.poon630@gmail.com to schedule a conversation at your convenience.

Kind Regards,
Jenson Poon
